DUCTZ Of Mid-Michigan Awarded As Ductz 2020 National “Franchisee Of The Year” Winner

October 13, 2021 // [Franchising.com](https://www.franchising.com) // ANN ARBOR, MI - DUCTZ 2021 Fall Regional Conferences in Ann Arbor, MI, Exton, PA and Jacksonville, FL brought franchisees together from across the country to share best practices and methods, learn about new program from each other and from the corporate team. At the Ann Arbor Regional Conference, Doug Warren, franchise owner of DUCTZ of Mid-Michigan out of Jackson, MI was announced as the DUCTZ 2020 Annual “FRANCHISEE OF THE YEAR” recipient. DUCTZ of Mid-Michigan has been a part of the DUCTZ network since 2008. Doug and his team at DUCTZ of Mid-Michigan did not let 2020 disrupt their businesses. Teamwork, dedication and a sense of family within their crew allowed for 2020 to be a record year! It goes far beyond numbers too – Doug Warren is a dedicated member of the DUCTZ Franchise Advisory Council (FAC), mentoring fellow franchisees, being an example of why you measure within your business as well as being nominated as the Small Business Person of the Year by his local chamber of commerce. The value that Doug Warren brings to the DUCTZ brand and systems is incredible. Doug believes in the brand, always willing to help it grow. For his willingness to be involved and give back to his team and community – the DUCTZ network is thrilled to celebrate Doug Warren, and his team at DUCTZ of Mid-Michigan with the 2020 Franchisee of the Year award!

DUCTZ of Mid-Michigan established a new office building this year at 412 W. Prospect in Jackson, MI.

“Recognizing a dedicated DUCTZ team who supports and encourages the core model and culture makes this the biggest DUCTZ Award each year. The Franchisee of the Year is a common franchise system award, but DUCTZ gauges these awards on so many facets, including engagement, interaction, support, compliance within the brand

parameters. It is so important to set your Franchisee of the Year as the example to be recognized in front of the entire system,” said Rick Bohdel, President of DUCTZ.

DUCTZ provides improved indoor air quality to homes and businesses across the country, producing a healthier and safer environment with air duct cleaning, HVAC restoration, coil cleaning and dryer vent cleaning. Indoor air quality (IAQ) has become a major concern in schools, healthcare facilities, hotels and office buildings and DUCTZ technicians are trained to properly restore HVAC systems to more efficient operation – adhering to NADCA, ACCA and EPA Standards sets DUCTZ as the trusted IAQ company across the USA and Canada.
